Dear General Canine:

At its meeting on 31 January, the Intelligence Advisory Committee agreed to set up a sub-committee with responsibilities in the field of guided missile intelligence. Specifically, the work of this Guided Missile Intelligence Committee (GMIC) will be in accordance with the attached terms of reference.

The Intelligence Advisory Committee agreed that the National Security Agency could contribute materially to the work of this new committee. I therefore extend to you a cordial invitation to associate your Agency with the Guided Missile Intelligence Committee and hope it will be possible for the National Security Agency to participate in the vitally important work of this group.

Sincerely,

ALLEN W. DULLES
Chairman
